

Boroondara Tennis Centre

Office / Consulting Room Vacancy

From 1st February, 2012 we will have a share available in an office space or treatment room at the Centre.

The office is currently used under a share arrangement between 2 therapists who alternate days in the office during the week. We are looking to continue with a similar arrangement.

The office would suit a fitness or health professional or therapist and would be ideal as a cost-effective consulting or treatment room. The office is fully secure, air conditioned & heated and has phone and internet access.
